Dear Jane,
Thank you for your letter. I'm glad to hear from you again.

You've asked me about studying Russian. I think it's good because the Russian language is interesting, but hard. As for me, the Russian language is complicated, it's neither easy nor difficult. I think the benefits of being multilingual is clear. You can travel to many countries and communicate with foreigners. Well, Chinese and Japanese aren't interesting, and harder than Russian.

Sorry, I have to stop now, I've got lots of homework.
Write back soon.

Best wishes,
Andrey
